

The recognized need for primary care led to the creation of the Federally Qualified Health Center (FQHC). The Health Center provides primary health care at nine (9) locations, in addition to our mobile health center. Services include adult medicine, pediatrics, obstetrics/gynecology, family planning, dental, psychiatric and mental health services.

SERVICES PROVIDED AT THE HEALTH CENTERS

- Pediatric ENT/Audiology
- Allergy Asthma
- Ophthalmology
- Genetics
- Perinatology
- Internal Medicine
- Women's Health
- Dentistry
- Podiatry
- Mobile Health Center Community Screenings
