Explanatory Statement - (continued)

1-Budget Summary:

The most important policy of the Township of Lyndhurst Board of Commissioners is to continue to stabilize property taxes.

The net 2017 Budget is established at \$39,355,052. The 2016 Budget was \$39,489,676 a decrease of \$134,624, a .34% decrease. (Of course, this is net of the \$2,500,000 cash contribution paid by the township for the new Junior High School.)

This 2017 budget also includes a municipal tax rate reduction of 2.4%. This is the first time Lyndhurst is experiencing a real reduction in the municipal component of the tax rate.

2-The failed EnCap project and tax appeals:

We continue to face the task of financing the failed EnCap project. In summary, this failed project had two serious, negative consequences on Lyndhurst.

First, the Township lost \$121,000,000 in assessed value (tax base). This is \$2,252,415 annually (in 2012 tax dollars).

Second, the Township was forced to refund prior years taxes paid, and more importantly, we did not receive tax payments from the NJMC, when the NJMD took over the EnCap property.

All of this adds up to the following payments in the 2017 Budget, resulting from the EnCap project.

EnCap:

Direct EnCap Debt	\$16,971,779	Excludes Interest
2010 Tax Appeal Refunding Ordinance	\$3,750,000	One payment remaining: 2017
Total	\$20,721,779	
Amount to be paid in 2017	\$2,036,357	Excludes Interest

Accordingly, seven (7) tax points in 2017 are dedicated to pay for the EnCap and related issues. In addition, several large commercial properties have appealed their tax assessments.

3-The Lincoln School Redevelopment:

On June 14, 2016 the Lyndhurst Board of Education and Lyndhurst Board of Commissioners adopted an ordinance to begin the funding process of the new Junior High School.

On February 21, 2017 an architect was decided upon after competitive proposals were received. The design of the school is proceeding toward construction plans.

The new Junior High School is scheduled to be completed in September 2020, subject to change.

(Important: This appendix must be included in advertisement of budget.)

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as a part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, Check the reason why:

Total capital expenditures this year do not exceed \$25,000.00 including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

No Bond Ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check the appropriate box for number of years covered, including current year:

3 Years. (Population Under 10,000)

6 Years. (Over 10,000 and all county governments)

years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000.00 annually for capital purposes in immediately previous three years, and is not adopting CIP.

Township of Lyndhurst Capital Program:

The Lyndhurst Board of Commissioners presents the following Capital Improvement Program showing the planned, preliminary capital project listing for the next six years, including 2017, with a focus on financing the new Junior High School, acquisition of fire equipment and road reconstruction. It must be stressed that this Capital Improvement Program does NOT confer authority to spend any funds but rather outlines a listing of upcoming capital needs. Due to the EnCap meadowlands development debacle, caused by the New Jersey Meadowlands Commission (NJMC) and as indicated on Sheet 3 (d) of this budget, the Township is funding \$2,036,357 in principal payments in 2017 to pay down the December 31, 2016 EnCap outstanding debt of \$18,404,422, excluding interest. This initially caused the Township's financial rating to be dramatically reduced. However, due to the implementation of strict budgetary controls and other financial procedures our financial rating has rebounded to AA and is now the "best ever". The year 2014 ended a three year consecutive period where no bond ordinances (new debt) was authorized. But since then the Township had an increase in capital project authorizations in 2015 and 2016 so that certain roads in need of resurfacing may be improved. Further, the Township has implemented a "pay as we go" capital financing plan which places the approval of certain capital projects directly in this operating budget. We are continuing this process for most facilities projects in 2017 and the future. However, because of the need for road improvements some debt needs to be authorized for the most significant projects. This capital plan also anticipates the financing of the redevelopment (replacement) of the Lincoln School, again, through its replacement by building a new Junior High School.
