Explanatory Statement - (continued)

1-Budget Summary:

The most important fiscal policy of the Township of Lyndhurst, Board of Commissioners is to continue to stabilize property taxes.

The 2019 Budget is established at \$40,257,021. The 2018 Budget was \$39,958,853. This is an increase of \$298,168; a .0075% increase. {Three-quarters of one-percent.}

This 2018 budget includes a municipal tax rate REDUCTION of 1%.

2-The failed EnCap project and tax appeals:

We continue to face the task of financing the failed EnCap project. In summary, this failed project had two serious, negative consequences on Lyndhurst.

First, the Township lost \$121,000,000 in assessed value (tax base). This is \$2,252,415 annually (in 2012 tax dollars).

Second, the Township was forced to refund prior years taxes paid, and more importantly, we did not receive tax payments from the NJMC, when the NJMD took over the EnCap property.

All of this adds up to the following payments in the 2018 Budget, resulting from the EnCap project.

EnCap Debt:

Refunding EnCap Debt	\$16,971,779	Excludes Interest
2010 NJMC area Tax Appeals	\$3,750,000	Last payment made: 2017
Total	\$20,721,779	
Amount to be paid in 2019	\$1,037,137	Excludes Interest

Accordingly, four (4) tax points in 2019 are dedicated to pay for the EnCap and related issues. In addition, several large commercial properties have appealed their tax assessments.

3-The Lincoln School Redevelopment:

On June 14, 2016 the Lyndhurst Board of Education and Lyndhurst Board of Commissioners adopted an ordinance to begin the funding process of the new Junior High School.

On February 21, 2017 an architect was decided upon after competitive proposals were received. The design of the school is proceeding toward bidding and construction.

On July 9, 2018 the project began.

The new Junior High School is scheduled to be completed in September 2020.

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as a part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, Check the reason why:

Total capital expenditures this year do not exceed \$25,000.00 including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

No Bond Ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check the appropriate box for number of years covered, including current year:

3 Years. (Population Under 10,000)

6 Years. (Over 10,000 and all county governments)

years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000.00 annually for capital purposes in immediately previous three years, and is not adopting CIP.

Township of Lyndhurst Capital Program:

The Lyndhurst Board of Commissioners presents the following Capital Improvement Program showing the planned, preliminary capital project listing for the next six years, including 2019, with a focus on financing the new Junior High School and road reconstruction. The new Junior High School is proceeding on time and on budget. It must be stressed that this Capital Improvement Program does NOT confer authority to spend any funds but rather outlines a listing of upcoming capital needs. Due to the EnCap meadowlands development debacle, caused by the New Jersey Meadowlands Commission (NJMC) and as indicated on Sheet 3 (d) of this budget, the Township is funding \$1,037,137 in principal payments in 2019 to pay down the December 31, 2018 EnCap outstanding debt of \$8,951,137, excluding interest. This initially caused the Township's financial rating to be dramatically reduced. However, due to the implementation of strict budgetary controls and other financial procedures our financial rating has rebounded to AA and is now the best ever. The year 2014 ended a three year consecutive period where no bond ordinances (new debt) was authorized. But since then the Township had an increase in capital project authorizations with a focus on economic development-the new Junior High School-and road resurfacing. Further, the Township has implemented a "pay as we go" capital financing plan which places the approval of certain capital projects directly in this operating budget. We are continuing this process for most equipment and facilities projects in 2019 and the future. However, because of the need for road improvements and communications equipment some debt will be authorized for the most significant projects. This capital plan also anticipates the financing of the redevelopment (replacement) of the Lincoln School, again, through its replacement by building a new Junior High School. (The capital projects for 2020-2023 will be determined after the current set of projects are completed)
