SEASON GREETINGS FROM THE MAYORS DESK

As the Mayor of Lyndhurst, I wish to extend greetings & positive wishes for a MERRY CHRISTMAS & HAPPY HOLIDAYS to all of our residents and to our business community of Lyndhurst. I also extend my holiday wishes with gratitude & appreciation to the many dedicated employees of our township this holiday season. Thank you.

This is a time when we enjoy the blessings of loving family & friendships, as we look back upon the previous year and prepare for a happy, healthy and prosperous New Year ahead.

“Learn from yesterday, live for today, hope for tomorrow”  A. Einstein

It is a time of year to express sincere gratitude with acknowledgment for all the good and happiness we have in our lives, with loving thoughts for family and friends, cherished memories for those of them who have gone before us and caring thoughts for the brave service men and women who continue to fight for our freedom.

It is a time of year we are reminded to protect and care for our natural, economic, social, cultural and spiritual environment, especially in addition to spreading love, goodwill and peace to all mankind.

One way by which we can help perpetuate peace on earth & goodwill is to inspire a more neighborly attitude towards those around us; to appreciate the cultures of others; not to dwell on any negative thoughts and willingly “give” to those who are less fortunate.

“For it is in giving that we receive”  St. Francis of Assisi

In the grand architect of the universe’s spirit of giving; there is no more priceless gift that to give of thyself….genuine loving thoughts of kindness, compassion, understanding and respect for the good health, happiness, prosperity and goodwill to others.

I am very grateful to be your Mayor, and on behalf of myself and our Commissioners; I extend our best wishes to you and your family for a safe, happy and memorable holiday season and New Year!

MERRY CHRISTMAS, HAPPY NEW YEAR...HAPPY HOLIDAYS

Mayor Robert B. Giangeruso
