

Did you know the Department of Public Works...

...has planted approximately 375 trees over the past 8 years.

...this includes adding a tree in front of every residence after the completion of all road projects. The latest one being Maple Avenue.

...takes tree planting requests year-round and plants trees in the Spring and Fall.

To be added to our 2025 Spring tree planting, please call 201-438-5478 or click the link below to request a tree.
