## MEMORANDUM

To: Lyndhurst Residents and Business Owners  
 From: Lyndhurst Police Department  
 Date: May 3, 2026  
 Subject: FIFA World Cup Advisory

As many of you know, the 2026 FIFA World Cup at MetLife Stadium is fast approaching. Property owners and business owners are advised to take proactive measures to secure parking areas and business locations.

MetLife will host eight (8) games in total and tens of thousands of spectators are expected to attend the matches:

### Upcoming FIFA Matches Schedule Dates & Times:

June 13, 2026 6pm	Brazil v. Morocco
June 16, 2026 3pm	France v. Senegal
June 22, 2026 8pm	Norway v. Senegal
June 25, 2026 4pm	Ecuador v. Germany
June 27, 2026 5pm	Panama v. England
June 30, 2026 5pm	Round of 32
July 5, 2026 4pm	Round of 16
July 19, 2026 3pm	World Cup Final

MetLife Stadium will have no available spectator parking available due to the parking lot being used to host FIFA related sponsors, fan experience events and heightened security measures. Public transportation will be limited and will be only able to handle half of the anticipated spectators. Ride share and shuttle services will be restricted to designated pre-approved locations. The restricted transportation will put a high demand on nearby private and public parking areas. Expect match spectators and general fans with and without tickets to travel to the meadowlands area searching for parking. FIFA will not allow non-sanctioned shuttling to the MetLife property; therefore, if you are planning on doing so, there will **no** safe way to transport attendees to the MetLife property.

## LPD Recommended Security Measures and Required Compliance

### 1. Access to Property Restrictions

- Clearly post "Private Property- No Trespassing Signs" at entrance points
- Use cones, barriers, gates to restrict unauthorized vehicles on your property
- On-site security or personnel to address any issues and deter parking, tailgating, illegal vending, coordinate and report issues with the Lyndhurst Police Department.

### 2. Surveillance & Monitoring Systems

- Review all camera locations to make sure your property is properly covered
- Make sure all cameras are operational
- Check with your surveillance company to make sure the system is operating properly and recording

### 3. Lighting and Obstructions

- Maintain adequate lighting through all parking areas
- Repair any non-functioning lighting immediately
- Remove any obstructions that impede your line of site to parking areas

### 4. Safety Management, Liability & Compliance

- Expect increased vehicle and pedestrian traffic in the area before and after matches
- Keep all fire lanes and emergency access points clear at all times
- Property owners may be held responsible for any unsafe conditions or unauthorized use of property

Public Safety Commissioner

**Headquarters**

(201) 939-2900

- Ensure compliance with applicable state ordinances, township ordinances and safety codes

## 5. Township Short-Term Rental Ordinance # 8-9

- The township ordinance bans all short term rentals of property, under 30 days. These properties are commonly referred to on the *Airbnb* or *VRBO* online platforms. Township officials are monitoring these platforms and zero tolerance enforcement will be conducted to safeguard the quality of life within the township.

Anyone with tips or information regarding illegal rentals are urged to contact Captain Andrew Marmorato: (201) 939-2900 Ext. 2605 or email: [specialoperations@lyndhurstnjpolice.gov](mailto:specialoperations@lyndhurstnjpolice.gov)

**Anonymous Tip Hotline: (201) 804-9346**

## 6. Off Street Parking - Township Ordinance # 21-8

- Utilizing private property must be in accordance with the township ordinance pertaining to off street parking, This includes the parking of vehicles on the front lawn of private residences.

### Additional Considerations:

- Commercial Parking lots can be rented for parking following Township requirements and permits may be necessary dependent upon the scope of operation.
- Expect traffic delays before and after matches on Route 3, Route 17 and local streets
- Increased Illegal parking complaints on public and private properties
- Due to the World Cup being a high-profile event attracting politicians and dignitaries expect high security measures to be in place. Federal, State, County and Local Law Enforcement will present before, during and after matches
