WINTER REC DANCE 2022

The Winter Dance program is for anyone who has ever wanted to try dance, as well as individuals with prior dance training. We will introduce and reinforce the concept of movement and expression through music. Classes will feature several different styles of dance and music, along with an emphasis on technique and learning choreography. The overall objective is to not only have fun and move our bodies, but utilize music and dance as an additional outlet for communication and expression, while enhancing and growing our current dance repertoire of skills.

Dancers, please wear clothing you are comfortable moving in, dance attire is preferred, and be prepared to either dance in dance shoes or barefoot.
